Select Lawn Edging

**CIRCULAR
BORDERS**

SERPENTINE BORDERS

STRAIGHT BORDERS

The solid, 3-5/8" wide SELECTedge border provides a broad barrier that effectively prevents grass from encroaching on protected areas.

Circular Borders - When installed in a fanned configuration with their beveled sides adjacent, SELECTedge Units form a 40" diameter ring.

Straight Borders- Placing SELECTedge Units side by side in an alternating pattern produces straight linear edging.

Serpentine Borders - Combining straight and circular installation methods lets you tailor SELECTedge borders to any size or shape.

SIZE: 3 1/2" x 3 5/8" x 4" WEIGHT: 4 LBS.
AVAILABLE COLOURS - RED • GREY
